WEDNESDAY OCT. 2, 1878. SHE DIDN'T MEAN TO TELL. es, my lips to-night have spoken

Words I said they should not speak

And I would I could recall them -Would I had not been so weak. Oh, that one unguarded moment ! Were it mine to live again,

All the strength of its temptation Would appeal to me in vain. True, my lips bave only uttered

What is ever in my heart ; I am unhappy when beside him, Wretched when we are apart ; Though I listen to his praises Always longer than I should, Yet my heart can never hear them

Half so often as it would ! And I would not, could not, pain him, Would not for the world offend, I would have him know I like him As a brother, as a friend :

But I meant to keep one secret In my bosom always hid, For I never meant to tell him That I loved him-but I did.

and will be run in fist-class style this Season. It is claimed for Mineral Hill, that it has the finest collection of mineral waters in all the country, and of the very best quality, consisting of Red, White and Black, Sulpher, Chalybeate, Epsom and Lithia, (or black water.) These waters have proven by actual use that they are highly beneficial for diseases of the stomach and bowels, it was mad killness, and expectably for entangers.

have proven by actual use that they are highly beneficial for diseases of the stomach and bowels, liver and kidneys, and especially for cutaneous and blood diseases. The Black Water (a natural curiosity) has proven to be a specific for Rheumatism and Scrofuls.

It is also claimed that Mineral Hill is decididly the coolest spot to be found in East Tennessee. The formation of the hills and valleys furnish an invigorating breeze scarcely surpassed by the regular sea breeze. The scenery is the grandest and most picturesque to be found anywhere.

The accommodations have been materially extended and improved during the last season.

There are all the stiachments of a first-class watering place here, such as good Music, Livery, Baths, the various games of amusement, &c.

The rates of Board have been reduced, viz. \$30 per month, \$10 per week, \$2 per day, with special rates to clubs or Families.

Capt. Charles H. Thomas, of Raleigh, N. C., late of Warm Springs, N. C., an experienced hotel manager, will assist in the management this season.
